

Сборка

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ make clean
rm -rf main.o temp_api.o report
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ make
gcc -c -std=c99 -Wall -o main.o main.c
gcc -c -std=c99 -Wall -c -o temp_api.o temp_api.c
gcc -o report main.o temp_api.o
```

Запуск программы без опций

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report
```

```
=====

This is a simple temperature statistic program (v1.5.0).
To get help use the key -h.

=====
```

Запуск программы с опцией «-h»

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report -h
Supported arguments:
-h                -- help
-f <filename.csv> -- .csv file to load. it will show statistics for all months by the year
-f <filename.csv> -m<month> -- show statistics for target <month>
-v               -- version
```

Запуск программы с опцией «-f»

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report -f
Error reading file.
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report -f temperature_small.csv

Strings № 4 9 11 14 data format not supported. Data was skipped.

=====STATISTICS BY MONTH FOR THE YEAR=====

year      month      average_temp      min_temp      max_temp
-----
2021      January     -44.7°C           -47°C         -43°C
2021      February    -27.5°C           -30°C         -25°C
2021      March       -10.0°C           -10°C         -10°C
2021      April       0.0°C            0°C           0°C
There is no valid data for May
2021      June        25.0°C           25°C          25°C
There is no valid data for July
2021      August      20.0°C           20°C          20°C
2021      September   18.0°C           18°C          18°C
There is no valid data for October
2021      November    -5.0°C           -5°C          -5°C
2021      December    -20.0°C          -20°C         -20°C

=====STATISTICS FOR THE YEAR=====

average_temp      min_temp      max_temp
-----
-4.9°C            -47°C         25°C
```

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report -f temperature_small.csv -m12

Strings № 4 9 11 14 data format not supported. Data was skipped.

=====STATISTICS BY MONTH=====

year      month      average_temp      min_temp      max_temp
-----
2021      December    -20.0°C          -20°C         -20°C
```

```
alexander@User-PC:/mnt/d/2025_MFTI/MIPT/base_C/temp_api_dynamic_arr$ ./report -f temperature_big.csv
```

=====STATISTICS BY MONTH FOR THE YEAR=====

year	month	average_temp	min_temp	max_temp
2021	January	15.5°C	1°C	30°C
2021	February	15.5°C	1°C	30°C
2021	March	15.5°C	1°C	30°C
2021	April	15.5°C	1°C	30°C
2021	May	15.5°C	1°C	30°C
2021	June	15.5°C	1°C	30°C
